

COMPULSIVE EATERS ANONYMOUS – HOW

REQUEST TO MEMBERS, GROUPS, INTERGROUPS, AREAS, COMMITTEES

In keeping with the 12th Tradition and the spirit of anonymity of CEA-HOW, effective immediately and moving forward the WSO Board asks that members' phone numbers be omitted in all audio recordings posted on the CEA-HOW website and any other platform CEA-HOW uses in the future. This includes CEA-HOW meeting, intergroup, or area websites and social platforms, i.e., any public facing audio distribution under the CEA-HOW name or logo.

In the unity of the fellowship, each of us protects the anonymity of all of us.
